Base station prompts how to turn off the power

According to this article, if you go to SteamVR->Settings->Base Station->Power Management there is a setting to have them automatically turn them off whenever SteamVR is not in use

Learn how to easily disable HTC Vive base stations and conserve power when not in use. Follow these simple steps to turn off your stations and extend their lifespan.

I purchased 2x timer switches for the wall with on off switch. When I don"t use it, I turn them off with the switch. Other times I use the wireless to automatically turn them off. Its your ...

When the SteamVR Status window (with the headset/controller/base station icons) is up and everything is green, click the menu button in the top left corner of the status window and select Devices > Base ...

Try changing the power outlet. Mine was doing this too but changing the power outlet it was plugged into seemed to fix it. Apparently surge protectors with a lot of other stuff may cause power fluctuations ...

Maybe it"s not obvious but you need a Bluetooth LE dongle to use it and pair the base stations with Windows upon request. I"ll have to understand how they exchange the unique ID to ...

If you ever find yourself in a situation where you need to power down the base station completely, it"s as simple as unplugging the power cord. Remember, though, it"s not recommended to do this on a daily ...

To spare you the scroll marathon in this thread, here the list of the currently known solutions to power off your basestations remotely:

You need to set the sleep mode option in base station settings in steam vr, the default one is that they are always active, hence why the light is green when you quit steamvr.

When I click quit Steam VR and the headset is off, the base stations continue to stay on. How can I turn them off without unplugging the power...

I can"t seem to find a way to turn off the base stations. I know they have motors in them spinning something, and I"d like to put them on standby or turn them off when I"m not using the ...
