Prepare Your House For An Addition  
Pour The Foundation  
Frame The Sunroom  
Install Doors and Windows  
Install An HVAC System  
Add The Touches That Make It Your Own  
The first step toward adding on a sunroom is to decide where the sunroom will go and prepare your house. Depending on how your house is situated on the plot and where you'd like the sunroom to go, you may need to cut a large hole in your exterior walls. Otherwise, you can use an existing door as the entrance into your new addition. During this step...
