

Huijue Inverter 48-60v

HJ-HIO48 Series off-grid solar inverter, It is a multi-functional inverter/charger, combining functions of inverter, solar charger and battery charger to offer uninterruptible power support in portable size.

The HJ-HIH48 series three-phase hybrid solar inverter, independently developed by Huijue Group, is a high-performance, reliable, and efficient energy management solution for a hybrid power system.

IEH5548A Grid-Off Inverter IFT: Power Independence Redefined Unlike conventional 48V systems, the IEH5548A inverter operates on an adaptive voltage range (40-60V DC), extending battery life by 18% ...

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

HJ-HIH48 Series hybrid solar inverter, it can realize self-consumption and feed-in to the grid from solar energy with best solution according to your setting.

Contact Us Web: Email: chinahuijue@gmail.com WhatsApp: +86 136 5163 8099 Shanghai HuiJue Technologies Group Co., Ltd(HuiJue Group)

It features a long cycle life, high safety, high discharge rate, and fast charge/discharge capabilities, providing a reliable power reserve for households. At the same time, its integrated ...

The HJ-HIH48 series three-phase hybrid solar inverter, independently developed ...

Description: Huijue Group presents the new generation of simplified household energy storage inverter integrated system, which incorporates photovoltaic modules, photovoltaic-storage inverters, energy ...

BAT Data (DC) Battery Voltage Range 40~60V/150~550V (Optional) Continuous Charging /Discharging Power 5000W 6000W 8000W 10000W
