

Namibia vivint solar

Is Vivint Solar a good solar company?

Other options on the market from Tesla and other providers have not quite gotten to this point of combining safety, security, and comfort with the solar system, which is why we give the Vivint Solar company 4.6/5 stars. In addition, the company has some very strong positive reviews from homeowners.

Does Vivint offer a solar lease?

One of the upsides of Vivint and its parent company, SunRun, is that they make solar super accessible to a wide range of customers. Although the solar leases they push on customers aren't as beneficial as other options, they require no down payment and often no credit check and they provide instant energy savings in most cases.
