Server racks for tunnels are under IP66 warranty

A typical server rack might not be able to withstand the elements, but a waterproof server cabinet is designed specifically for outdoor use. With the IP66 rating, the cabinet ensures that your servers remain ...

SysRacks covers this product, if applied in compliance with all applicable directives, to be devoid of defects in material and technical intervention for 12 months from the date of procurement.

This 26U outdoor network cabinet offers reliability, value, and versatility, in organizing and securing your EIA 19-inch standard rack-mount servers and networking equipment.

This free-standing rack has been especially designed for use with Servers, Switches, AV Equipment, Security Systems, Telephone Systems, Patch Panels and other Networking Equipment.

Each cabinet--wall-mount, 12 U-42 U floor, or IP-rated outdoor--is tested to global standards, with smart cable paths, high-flow venting, and secure locks. Custom options let you match depth, U-height, ...

Full protection against dust and water ingress with IP66. 1 mm galvanized steel sheet for inner paries (optional). Openable roof structure that provides external access to the fan module. Zirconia + zinc plated with superior ...

Our waterproof server cabinet enclosures and waterproof outdoor server racks are designed to withstand the harshest conditions, providing unmatched protection for your equipment.

To sum up, the IP66 rating serves as a guarantee of the cabinet"s complete dust sealing and its powerful jet"s water protection, thus offering perfect conditions for reliable and long-lasting infrastructure ...

Rack enclosures are rated based on their suitability for certain applications and the degree to which they protect equipment. Each type of enclosure is given a number based on its ability to withstand environmental factors.

With integrated thermal management and rugged construction, our climate-controlled server racks provide long-lasting protection, helping to maintain network integrity and uptime.
