

Solar glass reflective glaze

Solarban® R67 glass (formerly Solarban® R67 glass) combines excellent solar performance with a soft, neutral coating that provides a crisp, clean and brilliantly clear exterior appearance.

Solar reflective glass, often referred to as "solar control glass," is a specialized type of glass designed to reflect a significant portion of the sun's heat and UV rays. It typically has a...

Solar control glass is ideal for helping to maximize natural daylight while reflecting a high proportion of solar radiation away from the glass, contributing to keeping the indoor space bright but cool.

Highly Reflective Glass, or solar reflection glass, can be used on the external face of a building to create an aesthetically pleasing reflective appearance to the glazing, generate an element of privacy ...

Be aware that all glazing options (both coated and uncoated) will reflect solar radiation to some degree. Other cladding materials and adjacent surfaces could have similar (or worse) reflective characteristics.

With its distinctive bronze tint and reflective properties, this glass not only enhances the aesthetic appeal of buildings but also provides functional benefits. The reflective coating helps to control solar heat ...

In hot conditions or for building with high internal loads, solar control glass is used to minimize solar heat gain. It allows sunlight to pass through a window while radiating and reflecting away a large amount ...

Solarcool® glasses can be glazed with the reflective coating positioned on either the first or second surface. The glass has improved performance and higher exterior visible-reflectivity with a metallic ...

Various levels of solar control glass can be seen around the newly renovated IQ Glass showroom, ranging from the standard 70/35 which is barely noticeable to the human eye, all the way up to a high ...

REFLECTASOL® is a reflective, solar control glass, carefully designed to meet two requirements of architects: heat resistance on the inside and great exterior appearance, for better living and better ...
